Adjustable Wrap Guard

Recommendations:

- Uniguard Custom Adjustable Wrap Guards have been created to allow you to utilize either the material used for our barrel guards or our UniClear seal guards to protect employees from exposed rotating equipment.

Description:

- Orange, yellow polyethylene or clear polycarbonate material can be used for your application.
- Slotted cover is optional for heat dissipation.
- Easily installs on vertical or horizontal applications without the need for maintenance to create mounting brackets as shown on attached photos.
